News in early 2012

This new year 2012 is the begin of our intention to develop our Website **Atlence.com** and our software including **Calcul de Resistances** and **Questions-Reponses**. Feel free to send to us your needs, suggestions, issues, ideas and so on.

New website for the quizzes created with *Questions-Reponses*

Among the first developments, we are pleased to inform you that the site of quizzes created with **Questions-Reponses** has evolved to become modern and more friendly:

<http://www.atlence.com/study/quizzes.html>.

New version of *Calcul de Resistances*

A new "BETA" version of *Calcul de Resistances* 3.0, which becomes **Atlence Resistor Viewer 3.0**, will be available shortly. If you want to evaluate it, please visit our page:
